JUDGMENT

HENRY KROHN,

DEFENDANT. '

This case is an appeal from an order of the Justice's Court of Fifth Township, County of Madera, State of California, denying the motion of the defendant to vacate and set aside the judgment of said court, rendered in said action on November 3rd, 1921.

The facts of this case are as follows: A Complaint was filed in the said Justice's Court against the defendant wherein the defendant was charged as follows: "That said defendant on or about the third day of November, 1921, at and in the said County of Madera, State of California, and before the filing of this Complaint, did willfully and unlawfully have in his possession articles designed for the manufacture of intoxicated liquors, to-wit: One complete still". To this complaint the defendant plead guilty and was fined \$100.00. Thereafter, on the 14th day of December, 1921, the defendant filed a motion in said Justice's Court, requesting the court to set aside and vacate his judgment rendered in said action upon the ground that the complaint failed to state an offense, and that the judgment was therefore void. This motion was denied by the Justice of the Peace of said Township on the 11th day of January, 1922, and the defendant appealed to this court from same.

The Just Justice of

IN THE JUSTICE COURT, SECOND TOWNSHIP

County of Madera, State of California

The People of the State of California

The complaint proports to state an offense for violation of Section 14 of Ordinance No. 140 of the County of Madera, State of California, which reads in part as follows: "It shall be unlawful to have or posses any liquor or property designed for the manufacture of liquor intended for use in violating this Ordinance, or which has been so used". From a careful reading of this section, it is apparent that the mere possession of property designed for the manufacture of liquor is not in violation of the Ordinance. Not only must there be possession, but the property must be intended for use in violating this Ordinance. The Complaint fails to state the intent, or that the still was being used for the manufacturing of intoxicating liquor, or that it had ever been so used in violation of the Ordinance, and therefore fails to state any violation of said Ordinance.

The order of the Justice's Court refusing the motion to set aside the judgment is reversed, and said court is ordered to enter an order in accordance with this judgment.

DATE

PROCEEDINGS

September 23 Complaint filed charging the defendant
M. A. Hannagan with wilfully and unlawfully
violating Sec. 3 of the deer law to wit. Kill a Buck
Deer without tagging same.
Warrant of arrest issued

September 24 Deputy game and fish commissioner brought defendant
into court. After informing defendant of his
rights, He pleaded not guilty.
Deputy Game warden C. L. Brown investigated
the case, found that the defendant bought
his 1930 hunting license and tags and paid
for them, the Deputy County Clerk that sold license and
tags, had no tags on hand, sent to Central Camp
for same, and told defendant to go and hunt, the
tags would be in before he would need them,
Hannagan shot a deer about noon, brought it to
Camp 14, put a pasteboard tag on head with his
name and number of license on it at the time he shot
it. His wife was at Camp 14 with their car, they
tied the deer on running board in plain view
stopped a north fork and exhibited same and told why
they did not have tags, Drove through the U. S.
Forest Checking station, and inquired about
the tag, then drove to their home near Zebra.
About two hours after defendant's wife left Camp 14
the tags came, Defendant filed out one for the deer
head and the other to be sent to the state, mailed them
to his wife with instructions, Before the tags got
to Mrs Hannagan the officers had got the head and
hide and brought it to my office, Mrs Hannagan

23 Defendant in court and produced his operators license to prove he had same but had left it in his purse at his camp on Bass Lake.

Defendant states he parked his car on wrong side of road to help a friend fix a flat tire whereas if he had parked on the right it would have blocked the oncoming traffic.

This court considers the traffic officer was a little too severe on this young man and as he had no money to pay a fine this court ordered and adjudged that he spend five days in madera jail for the offense committed and hereby suspends said sentence on the promise of future good behavior of above defendant.
